October 19, 2017

Mr. Glenn H. Absolom
Erie County Sewer District No. 3
3690 Lakeshore Road
Buffalo, New York 14219

Dear Mr. Absolom:

**DISCONTINUANCE OF SPDES PERMIT
ELECTRIC AVENUE PUMP STATION
DEC NO. 9-1448-00063/00001
SPDES NO. 0204072**

Based on the following, we have determined that a State Pollutant Discharge Elimination System (SPDES) Permit is not required for the referenced facility and is hereby discontinued.

- ☐ The discharge has been connected to a municipal collection system.
- ☐ The quantity or nature of the discharge falls below the minimum thresholds for which a permit is required.
- ☒ Operation of the facility has ceased permanently so that a discharge is no longer occurring.
- ☐ Other:

Please note that any future discharge or change in discharge to ground or surface waters may first require a new SPDES Permit. Operation of the facility discharge without a permit (if required) is a violation of the New York State Environmental Conservation Law and will be subject to enforcement action. Further, we request that you advise any subsequent owner of this facility of the requirement to obtain a SPDES Permit prior to starting any operation that results in a discharge.

Respectfully,

Mark F. Passuite
Deputy Regional Permit Administrator

MFP
